

Animal Nutrition Ingredients Index

Formulated Solutions

Sevecom Emulsifiers

- Metalip
- Aqua-Mul
- Avi-Mul
- Avi-Mul Top
- Avi-Mul Top GP10
- Microemul
- Nutriemul

Unilecithin Lecithin

- Standardized; soya, sunflower, rapeseed
- Deoiled
- On carrier
- Hydrolysed lecithin
- Lyso lecithin

Vitablend Antioxidants

- Natural antioxidants
- Synthetic antioxidants

Barentz Customised Solutions

Tailor-made solutions for you

Single Ingredients

Amino acids

- L-Arginine
- L-Carnitine
- L-Cysteine
- L-Lysine HCL
- L-Lysine sulphate
- DL-Methionine
- L-Threonine
- L-Tryptophan
- L-Valine
- Taurine
- Rumen protected Methionine
- Rumen protected Lysine

Vitamins

- Vitamin A
- Vitamin C
- Vitamin D3
- Vitamin E
- B-vitamins

Minerals

- Polyphosphates

Organic acids and salts

- Citric acid
- Fumaric acid
- Gluconic acid
- Potassium sorbate

Plant-based proteins

- Brewer's yeast
- Corn gluten protein
- Pea protein
- Potato protein
- Rice protein
- Soya protein concentrate
- Vital wheat gluten

Carbohydrates Starches

- Native/modified starch; wheat/corn/pea/potato
- Gelatinized oats dehulled

Carbohydrates Fibers

- Pea hulls
- Potato fiber
- Internal pea fiber
- Carob powder
- Gelatinized oats

Carbohydrates Sweeteners

- Sorbitol
- Dextrose
- Maltodextrine

Yeasts

- ImmunoWall - Yeast cell wall
- Hilyses - Hydrolysed yeast
- RumenYeast - Autolysed yeast
- StarYeast - Inactive whole yeast
- Nucleoforce
- Nucleotides

Phytonics

- Micro-Aid - Yucca juice
- OceanFeed - Seaweed blends
- NUQO Phyto/Phycogenics

Novel ingredients

- Protinno - Insect protein
- Saninno - Insect oil
- Single cell protein
- Tradilin - Omega 3 from linseed

Animal proteins

- Hydrolysed animal proteins

Colourants and aroma's

- NUQO SENSE
- Aroma's
- Caramel
- Malt extracts
