## Old-School Thai Fizz

This is a concept with many recipe varieties. It is meant to be used as a base to identify a customer's best solution.

## Concept description

Step into a world of playful nostalgia with Thailand's classic rocket drink. Made to order with colourful syrup and hand-pumped carbonation, it's a vibrant throwback to flea market favorites.

Each fizzy sip captures the joy of old-school street beverages— now bursting with fizzy flavours like **Kyoho Grape**, **Ichiba Melon**, **Blue Lemon**, **Strawberry**, and **Honey Lime**. Coloured naturally and identically using **Lucarotin® 1 CWD/Y**, **Blue Spirulina**, **Lycovit® 10 CWD/S**, and **Riboflavin**.

A fun, colourful throwback reimagined for today's generation.
