CASPRO™

MICELLAR CASEIN

Milk protein in it's purest form

PRODUCT APPLICATIONS

MICELLAR CASEIN

RTM

RTD

Baked Goods

Bars

Micellar casein is milk proteins in their native state. Our micellar casein is made from fresh skimmed milk. Micellar casein has all the benefits of casein, but in a more soluble option that lends itself to more applications than insoluble casein.

Micellar casein can be used in a variety of applications including shelf stable beverages, bakery items, and protein bars. When you require stable emulsion and a high level of protein, our micellar casein delivers the consistency and outstanding performance you want.

CERTIFICATIONS & OPTIONS

FEATURES & BENEFITS

- Great solubility and dispersity
- Stable in heat at a neutral pH
- Neutral flavor
- High in protein
