## Functional corn soup for healthy aging

# Golden Comfort

This is a concept with many recipe varieties. It is meant to be used as a base to identify a customer's best solution.

### Concept description

**Golden Comfort** is a delicious, instant corn soup powder made from sweet corn and enriched with functional ingredients to support senior nutrition.

Formulated with **PeptiStrong®** (plant-based bioactive peptides), **almond protein**, and **vegetable stock powder**, it offers high digestibility and balanced nourishment.

With added **FOS prebiotics** for digestive health and **Premixed 16613** micronutrients, **Golden Comfort** is more than a meal – it's a daily wellness solution tailored for healthy aging.
