## The charming variety of colours in **I-Tim Siam**

This is a concept with many recipe varieties. It is meant to be used as a base to identify a customer's best solution.

## Concept description

Our ice cream is a gentle celebration of Thai tradition – soft in colour, rich in heritage and full of heart. Inspired by beloved local desserts, each scoop tells a unique story through both flavour and appearance.

Enjoy the golden glow of 'Foi Thong' (sweet egg threads), the creamy comfort of 'Thai Tea' or the deep caramel notes of 'Khanom Mor Gaeng' (Thai custard pudding). For coconut lovers, we offer 'Ruam Mitr Kati' – a colourful blend of traditional Thai jellies in sweet coconut milk – and 'Anchan Kati', a beautiful swirl of blue butterfly pea with creamy coconut (**Lamequick® CE5557**). Featuring each variant colour (**Lucarotin® 1 CWD/Y**, **Lucarotin® 10 CWD/O plus**, **Lycovit® 10 CWD/S** and **Blue Spirulina colour**) is drawn from nature and every taste brings you closer to the heart of Thailand.

More than just ice cream, it's a sweet journey through the soul of Thai dessert culture.
