

## Specialty Ingredients

### Protein %

<b>NutriPRO™</b>	70 – 90	Whey protein fractions – Lactoferrin, Alpha-Lactalbumin and MFGM
<b>CasPRO™</b>	70 – 90	Micellar Casein (microfiltered milk proteins)
<b>MultaPRO™</b>	85	High protein for yogurt applications
<b>PRObev™</b>	90	Low pH heat stable clear WPI, available in regular, instant, hydrolyzed & liquid
<b>PROriz™</b>	80	Rice protein concentrate, available in conventional and organic
<b>BARsoft™</b>	90	High protein for bars and RTE applications
<b>NutraCREAM™</b>	Various	Ideal for keto products, dairy & non-dairy fat source options available
<b>ZERLAC™</b>	90	Lactose-free milk and whey protein
<b>PROtext™</b>		Highly customizable extruded protein products

## Whey Protein Ingredients

Whey Protein Concentrate	34 – 80	Available in regular, instant, heat stable and low lactose
Whey Protein Isolate	90	Available in regular, instant, heat stable and lactose-free
Whey Protein Hydrolysate (5-15% DH)	80 – 90	Available in varying degrees of hydrolysis
Alpha-Lactalbumin	80 – 90	Alpha-Lactalbumin content 30% and 43%
Lactoferrin	90	Lactoferrin content 0.15%, 1%, 30%, 45% and 95%
Milk Fat Globular Membrane (MFGM)	70 – 80	Dairy phospholipids for infant nutrition

## Milk Protein Ingredients

Milk Protein Concentrate	70 – 85	Available in regular, instant and low lactose
Milk Protein Isolate	90	Available in regular, instant and lactose-free
Milk Protein Hydrolysate	90	Highly functional with a clean protein taste
Calcium Caseinate	90	Available in regular and instant
Sodium Caseinate	90	Available in regular
Organic Nonfat Dry Milk		Processed at low heat for excellent solubility

## Carbohydrates

Lactose		Unground, 40 mesh and 80-100 mesh, available in conventional and organic
Sweet Whey Powder		

**Our products are highly customizable, contact a sales representative to find the right product for your application.**

We offer a range of certification options, including: Organic, Kosher, Halal, Non-GMO, rBGH-Free, Validus Certified, EU Compliant, Grade A and Non-GMO Project Verified.
